Hymn

B. Tirol Jr., Ph.D., Ed.D.

M. Gomez, Ph.D.

The sky so blue, the
grass so green the room
and friends will be the
ties that bind and mem-
ories bear.

to Alma mater dear

A thousand leagues may
part our The ocean
waves may roll The
mountains far and miles
But grateful we will be!

Repeat First Stanza

"We Lived For"

Paradise

Breathing in and out
This is what life's all about
Yeah, breathing in and out
This is what it's all about

These are the moments, the moments we live for (the moments we live for)
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for

These are the moments we live for
(The moments we live for)
These are the moments we live for
