Cec Hymn

Lyrics: Atty. Victoriano B. Tirol Jr., Ph.D., Ed.D.

Music: Jesse M. Gomez, Ph.D.

All hail our Alma Mater dear
Cristal e-College hail
Success we strive, we dream and hope
Through thee fulfillment seek

The sky so blue, the grass so green
The room and friends will be
The ties that bind and memories bear
to Alma mater dear

Thy banner leads our path each day
Thy star forever shines
From poverty, darkness and fear
To light and victory

A thousand leagues may part our ways
The ocean waves may roll
The mountains far and miles divide
But grateful we will be!

In faith and love and loyalty
We stand with pride for thee
Across the plains and shores we glee
With the cool breeze inhale

Repeat First Stanza

GRADUATION SONG

"Moments to Memories"

Adeline Hill

Windows down on my favorite street
Sunset in the rearview, got nowhere to be
For a moment, we feel like we're kings and queens
In nothing but a t-shirt and ripped up jeans

We are free
Can you feel it too?
It's nights like these
That only prove

And this is when the moments turn to memories
And this is when the future gets so clear to see
And this is when tonight becomes a masterpiece
And this is when the moments turn to memories, memories

Deep breath in and I come alive
It's a feeling I'll remember for the rest of my life
So I sit back and watch the sun paint us gold
For a moment we feel like we rule the world

We are free
Can you feel it too? (Can you feel it too?)
It's nights like these
That only prove

And this is when the moments turn to memories
And this is when the future gets so clear to see
And this is when tonight becomes a masterpiece
And this is when the moments turn to memories, memories

Time is moving faster than ever
We've got to try to capture, remember it now
And time is moving faster than ever
We've got to try to capture, remember it now, yeah

And this is when the moments turn to memories
And this is when the future gets so clear to see

And this is when the moments turn to memories
And this is when the future gets so clear to see
And this is when tonight becomes a masterpiece
And this is when the moments turn to memories, memories
