# **Graduation Song**

## **“Moments We Live For” In Paradise**

One, two, three

I've seen this perfect picture in my head  
And after drivin' all night now here it is  
I can finally feel the sun kissing my skin  
And I just wanna take it in, yeah, I just wanna take it in

Breathing in and out  
This is what it's all about

These are the moments, the moments we live for  
Once in a lifetime  
Never think we want more  
This is the start of the new day, the good life  
These are the moments we live for

We'll be the place where the ocean meets the sky  
We're so cute up and now of the time of our lives  
Feel that these memories are on out of a thing  
'Cause we just wanna take it in, yeah, we just wanna take it in  
Yeeeeeah

These are the moments, the moments we live for  
Once in a lifetime  
Never think we want more  
This is the start of the new day, the good life  
These are the moments we live for  
These are the moments we live for  
These are the moments we live for

Breathing in and out  
This is what life's all about  
Yeah, breathing in and out  
This is what it's all about

These are the moments, the moments we live for (the moments we live for)  
Once in a lifetime  
Never think we want more  
This is the start of the new day, the good life  
These are the moments we live for

These are the moments we live for  
(The moments we live for)  
These are the moments we live for

## Coc Hymn

*Lyrics:* Atty. Victoriano B. Tirol Jr., Ph.D., Ed.D.

*Music:* Jesse M. Gomez, Ph.D.

All hail our Alma Mater  
dear Cristal e-College  
hail  
Success we strive, we  
dream and Through thee  
fulfillment seek

Thy banner leads our  
path each day ways Thy  
star forever shines From  
poverty, darkness and  
fear divide To light and  
victory

In faith and love and loyalty  
We stand with pride  
for thee Across the plains  
and shores we glee With  
the cool breeze inhale

The sky so blue, the  
grass so green the room  
and friends will be the  
ties that bind and memories  
bear.

to Alma mater dear

A thousand leagues may  
part our The ocean  
waves may roll The  
mountains far and miles  
But grateful we will be!

Repeat First Stanza
