Coc Hymn

Lyrics: Atty. Victoriano B. Tirol Jr., Ph.D., Ed.D.

Music: Jesse M. Gomez, Ph.D.

All hail our Alma Mater
dear Cristal e-College
hail
Success we strive, we
dream and Through thee
fulfillment seek

Thy banner leads our
path each day ways Thy
star forever shines From
poverty, darkness and
fear divide To light and
victory

In faith and love and loy-
alty We stand with pride
for thee Across the plains
and shores we glee With
the cool breeze inhale

The sky so blue, the
grass so green the room
and friends will be the
ties that bind and mem-
ories bear.

to Alma mater dear

A thousand leagues may
part our The ocean
waves may roll The
mountains far and miles
But grateful we will be!

Repeat First Stanza

Graduation Song

“Moments We Lived For” In Paradise

One, two, three

I've seen this perfect picture in my head
And after drivin' all night now here it is
I can finally feel the sun kissing my skin
And I just wanna take it in, yeah, I just wanna take it in

Breathing in and out
This is what it's all about

These are the moments, the moments we live for
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for

We'll be the place where the ocean meets the sky
We're so cute up and now of the time of our lives
Feel that these memories are on out of a thing
'Cause we just wanna take it in, yeah, we just wanna take it in
Yeeeeeah

These are the moments, the moments we live for
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for
These are the moments we live for
These are the moments we live for

Breathing in and out
This is what life's all about
Yeah, breathing in and out
This is what it's all about

These are the moments, the moments we live for (the moments we live for)
Once in a lifetime
Never think we want more
This is the start of the new day, the good life
These are the moments we live for

These are the moments we live for
(The moments we live for)
These are the moments we live for
